What has happened since 2006

- ▣ Declaration of intent of usage (02-'07)
- ▣ Pilot phase in NL (12-'07)
- ▣ Evaluation NL (9-'08)

We're still in the learning curve.

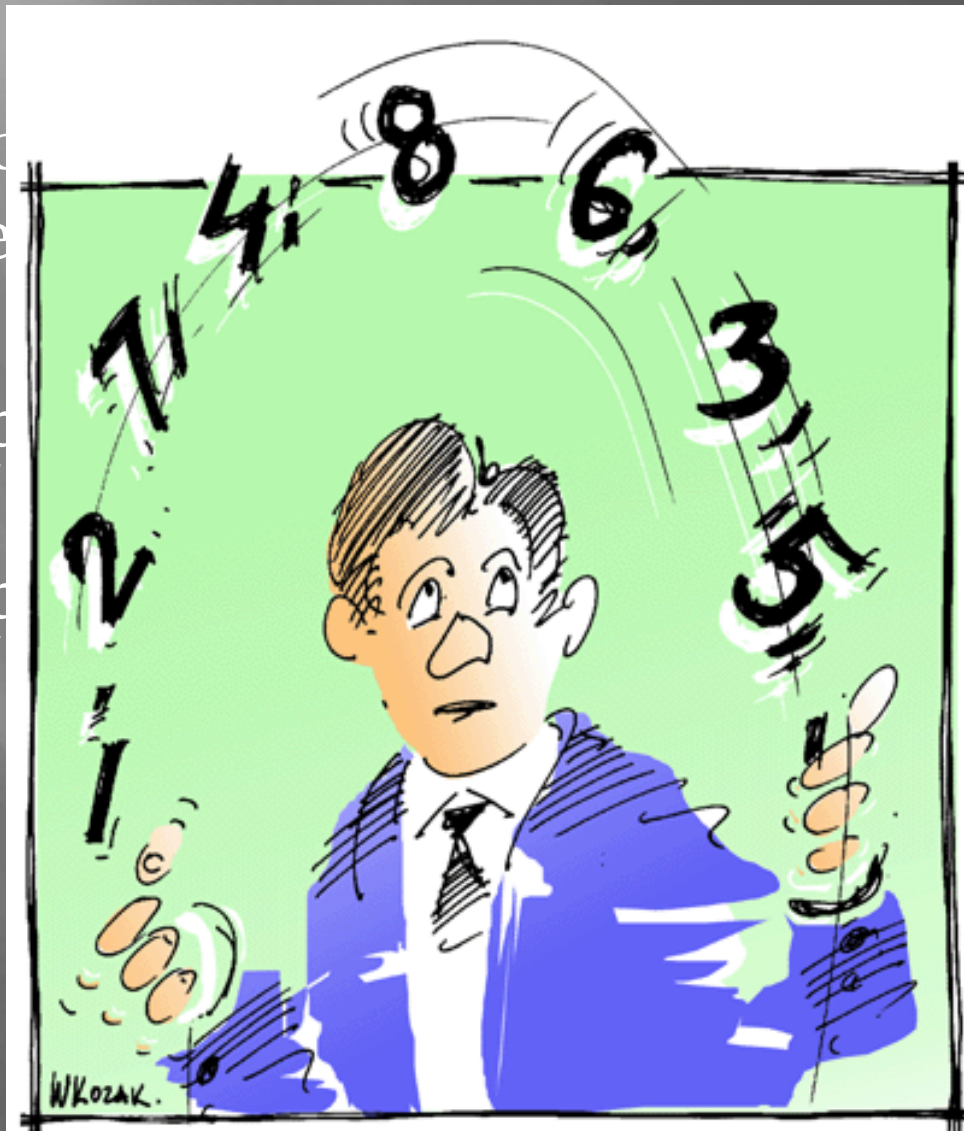

Participation of other countries.

- ▣ Language settings
- ▣ Training of country admins
 - By ESTRO
- ▣ Further developments
 - In general → ESTRO
 - Country specific → country

Statistics

- ▣ The lo
trained
- ▣ Comp
- ▣ Comp

erty of the

What is in it for the users?

▣ The trainee

- Easy to use digital portfolio
- Personal patient list

▣ The trainer

- Easier oversight
- More insight into experience of a job-applicant
- Comparison with other institutes

▣ The auditor

- Easier oversight
- Comparison with other institutes

Questions

- ▣ About the logbook
→ ask me
- ▣ Interested to try out the logbook
→ ask Christine Verfaillie
