HOW TO REACH THE ESTRO OFFICE?

By air:

From Brussels International Airport, the most convenient way to reach the ESTRO Office is by taxi (+/- 10/15 minutes drive depending on traffic ; cost +/- 20-25 Euro).

By car:

When reaching the **ring road around Brussels**, take **exit 2** (Kraainem, Wezembeek, UCL St. Luc). You are now on the Avenue de Wezembeeklaan. Turn right and after approximately 1,5 Km you will see the campus of UCL St. Luc on your right hand side. Just before the flashy signs for the «Pizza Hut» and «Quick» restaurants (which you can see from far) turn right for the Av. E.Mounierlaan.

Cars can be parked on Parking Mounier at your left hand side. The ESTRO Office is just 100 m away at your right hand side.

Alternatively, when **coming in via highway E 40 Brussels –Liège – Köln**: take **exit 20** «Kraainem» and follow direction «UCL-St. Luc» which leads you to the avenue Hypocrate-laan. After some 300 m. you will see a windmill at your right hand side. There, turn right for the avenue E. Mounierlaan.

By train and metro:

When coming in by train, you will most probably **arrive at Gare du Midi**. (Brussels South Station). From there take metro line 2 direction Simonis and change at Arts-Loi/Kunst-Wet . There, take the metro line 1B, direction Stokkel, and get off at station **Alma**.

By metro line 1B direction Stokkel:

Take the metro line 1B, direction Stokkel, and get off at **station Alma** (ESTRO office is about 5 minutes walk away).

When off the metro, walk straight ahead of you going past a building “Da Vinci ecole” on your left.

At end of building turn left.

Walk ahead (down hill) and under a bridge or underpass, and immediately turn right and you will come to avenue E. Mounier.

Cross avenue E. Mounier and turn right.

Walk up hill on the foot path or pavement, the ESTRO office is on your left.
